

MoneyHero Group partners with InsureMO to expand digital insurance access in the Philippines

24-Nov-2025

MANILA, Philippines, Nov. 25, 2025 (GLOBE NEWSWIRE) -- [MoneyHero Limited](#) (NASDAQ: [MNY](#)) ("MoneyHero" or the "Company"), a leading tech- and AI-powered personal finance aggregation and comparison platform and a digital insurance brokerage provider in Greater Southeast Asia, today announced a strategic partnership with InsureMO, an insurance innovation infrastructure platform, to expand digital insurance product offerings in the Philippines through MoneyHero's local brand, **MoneyMax**.

The Philippines has one of the lowest insurance penetration rates in Asia, at around **2% of GDP compared to the regional average of 4–5%**, despite being one of the fastest-growing insurance markets. Motor insurance in particular is notably under-served: only about **1 in 3 vehicles** on the road has comprehensive insurance coverage, with most drivers relying solely on mandatory third-party coverage[#].

To address these gaps and scale general insurance and other products, MoneyMax will deploy InsureMO's API-driven platform to accelerate insurers' time to market and connect them directly with MoneyHero's distribution channels, making it faster and simpler for millions of Filipino households to compare and purchase insurance products online.

Customer Impact

- **Enhanced digital journey:** This will provide a seamless experience that allows customers to compare real-time quotes, improving convenience and conversion.
- **Broader reach:** Serving millions of unique users across Asia, MoneyHero Group is the largest personal finance marketplace in the Philippines via MoneyMax.
- **Greater product diversity:** Insurers integrated with InsureMO can roll out new products via MoneyMax in weeks, giving consumers a wider selection and real-time competitive pricing.
- **Strong commercial foundation:** MoneyHero Group's expanding strategic relationships with key insurers like **Malayan, StrongHold, FPG and SGI** in the Philippines enable integrated campaigns and streamlined fulfillment, enhancing operational control and customer experience while positioning MoneyMax as the go-to digital customer acquisition channel for commercial partners.

Leadership Commentary

Rajat Sharma, Chief Revenue Officer, InsureMO, said: "The Philippines is a priority market where digital distribution can directly improve insurance access. Our strategic partnership with MoneyMax extends our collaboration with MoneyHero Group into another underpenetrated market, and with our API-first platform and robust technology, we are excited to help MoneyMax rapidly launch and innovate across multiple insurance products and providers, reaching customers seamlessly across the country."

Shravan Thakur, Chief Commercial Officer, MoneyHero Group, said: "This partnership is an important step in scaling our high-margin insurance vertical in the Philippines, replicating proven approaches from other Asian markets. Starting with general insurance and expanding into other product lines, we aim to offer more choices and greater convenience to Filipinos across the country. We have strategically relocated and expanded our Philippines operations to a new office in Bonifacio Global City (BGC), Taguig, together with the deployment of InsureMO's API-driven platform, we can better support both our commercial partners and customers."
